Prologue

Welcome to the 46th edition of the "Mirpur Newsletter," offered to the cherished readers and those new to the DSCSC community. This biannual publication stands as a testament to our commitment to showcase the remarkable activities those unfolded within DSCSC over past six months. This visual journey captures the essence of DSCSC's vibrant and multicultural environment.In this edition, we present a visual chronicle of DSCSC events spanning from December 2025 to May 2026. It encapsulates the rich tapestry of academic and social happenings through summaries and images those define DSCSC.

This year, DSCSC has introduced the ISC and LSC courses for the officers of Bangladesh Army. These courses are designed to provide updated concepts as well as practical knowledge. This initiative is expected to further enhance the institution's training capacity. The ongoing courses are at the middle of the 2nd Term.

Over the last six months, the college has diligently pursued various training exercises integral to the course curriculum. Renowned guest speakers delivered on academic and military issues. Our learned faculty and devoted staff members are unwavering in their commitment in developing the next generation of military leaders.

Acknowledging the intensity of the DSCSC course, a range of social and cultural programmes were arranged to provide much-needed respite for the participants. These events are the conduits for cross-cultural communication among local and international participants and their families. Recognizing the pivotal role that the military spouses play in our society, the DSCSC Ladies' Club arranged various enrichment programmes to foster their inner strength and self-confidence.

Our appreciation goes to the editorial board, who worked for the success of this publication. To our esteemed readers, we express profound appreciation and extend our promises to continue working diligently to circulate the latest news and information about our beloved college.
